

Introduction to Casalog

Stefan Hübner, Nokia Berlin
Berlin Buzzwords 2012

Nokia Maps

- Address & POI Search
- Category Search
- Nearby Recommendations

Hadoop

- Batch Processing
- (Very) Large Scale
- Distributed Filesystem
- Parallel Computation
- Fault-Tolerant

Hadoop

- Batch Processing
- (Very) Large Scale
- Distributed Filesystem
- Parallel Computation
- Fault-Tolerant

Hadoop MapReduce API

- Tedious and verbose
- Hard to test
- Hard to refactor

Hadoop MapReduce API

- Tedious and verbose
- Hard to test
- Hard to refactor

Pig and Hive

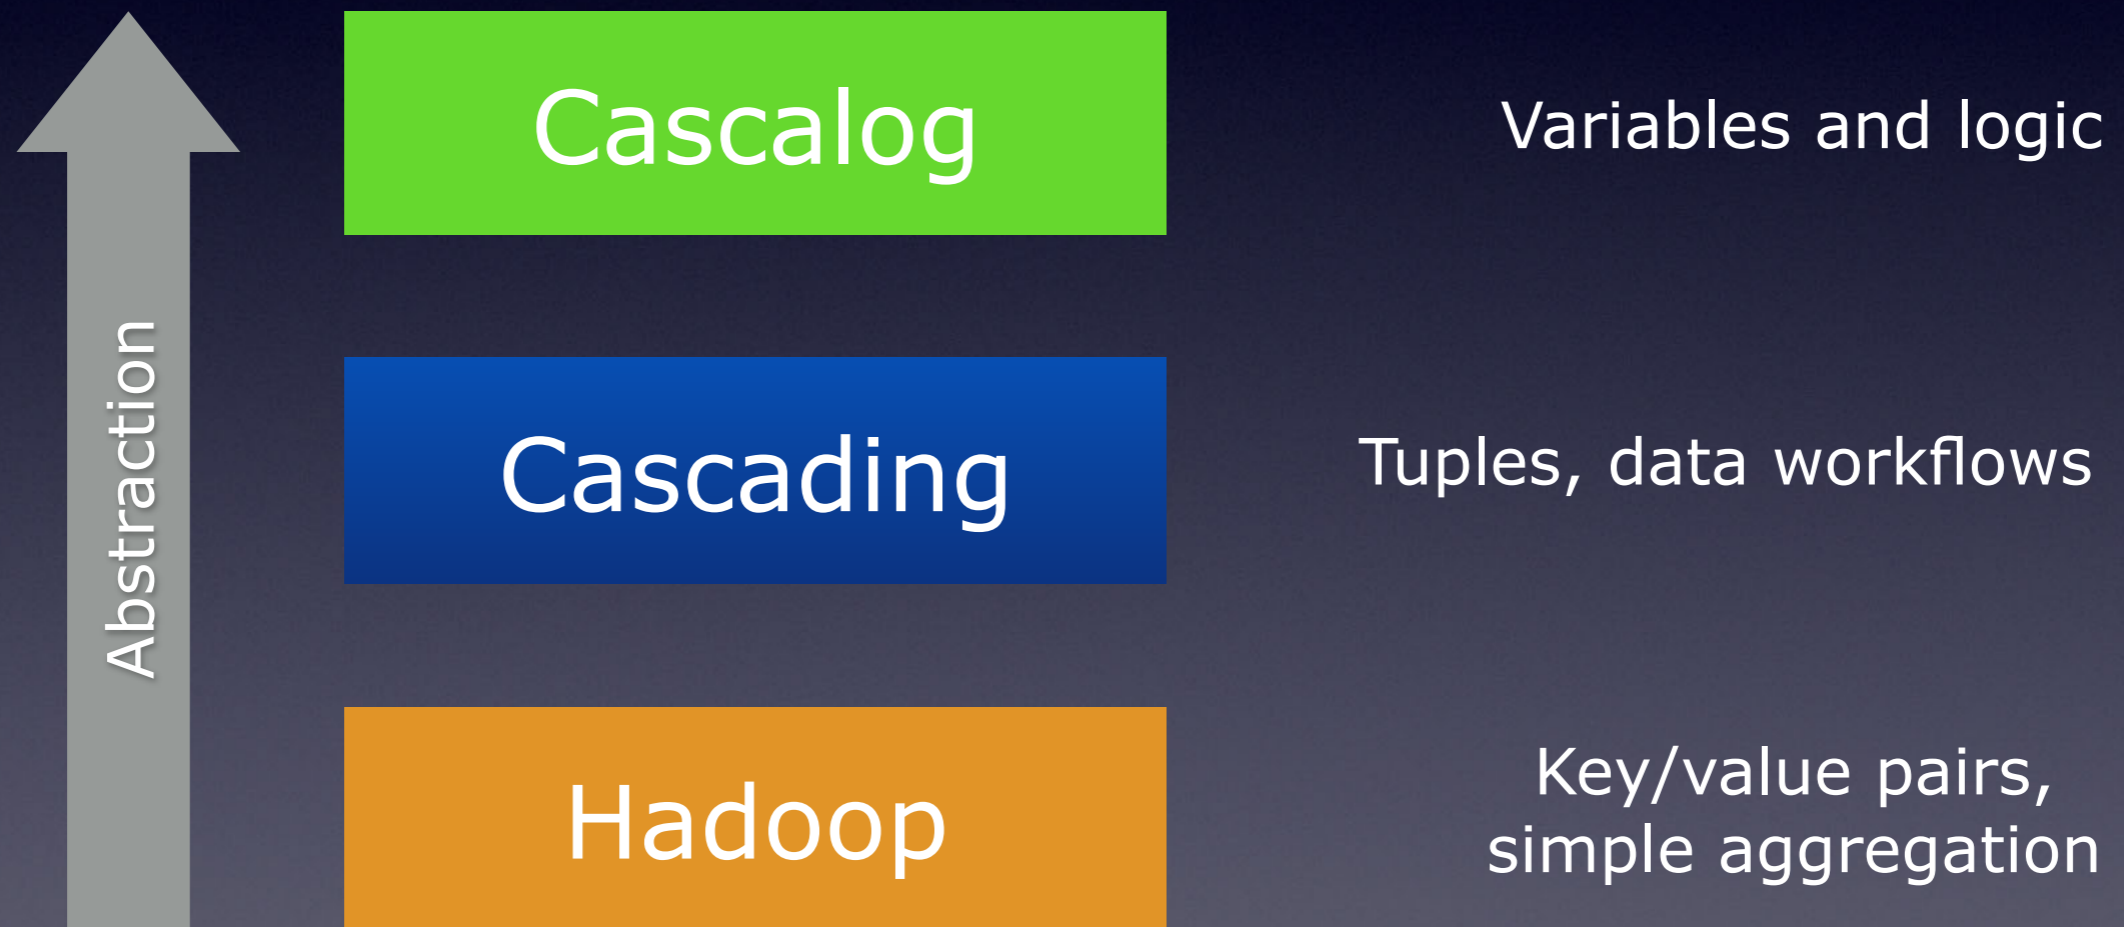

- Define their own query language
- Custom operations in Java, Python, ...
- Non-intuitive integration

But ain't there any hope?

(())

Cascalog

Thank you!
